

### New Fingerprinting Law

All volunteers, who may be alone with students, must be fingerprinted and pass this national background check prior to volunteering.

Please register on line at;

[www.identogo.com/fp/massachusetts.aspx](http://www.identogo.com/fp/massachusetts.aspx) I.D. # 02920000

The cost is \$35.00 and the results will be sent to the superintendent. If there is an issue that would preclude you from volunteering you will be contacted.

The CORI check through the Swansea Public School and the School Gate Guardian must also be done if you haven't already done so.
