End Of The Year Thoughts

It is that time of year again when the anticipation of the next school year begins to build. A lot of preparation goes into transitional planning from one year to the next and much discussion goes into student placement. This is done with much forethought as to what will be the best student- teacher match for each individual child. Class lists are generated by the teachers & reviewed thoroughly by the principals to ensure a successful upcoming year for our students. It is the policy of the Swansea Schools that we do not take parent's requests for a particular teacher.

*This year we will have a **"Step Up Day"**. On the last day of school, students in Kindergarten & Grade One will visit the Grade 1&2 wing and get to meet their assigned Teacher. Students will go home with a letter from their assigned teacher and will be able to share the details of their exiting visit with you! We hope this visit will help curb any anxiety or help with any questions students may have.

Also, if your child is not returning to the Swansea School System next year, please contact the school office before the last day of school. In order to insure a smooth transfer for your child, paperwork must be completed as early as possible. Thank you for your cooperation.

Please make sure that all lunch account balances are paid by the end of the school year. Please call Gail Oliveira, Food Director, with any questions. Thank you.

We thank you for your continued "Hoyle Sign" contributions!

Family contributions have been coming in and we cannot thank you all enough. Our PTO has generously offered to give a Hoyle School magnet to each family who makes a donation of \$20 or more to our Sign Drive. These are beautiful 6" round, three color magnets that are silk screened and will last a long time. Show your support for the Hoyle School and help us in return!

For Parents/Guardians of Students Entering Grade 3-
Please turn in your Swansea Public Schools Residency Statement to the Hoyle School **by June 30th**

Don't forget Tacky Tuesdays! See calendar for details

Supplies Notice 
2017-18 school year calendars and suggested supply lists for next year will be going home with students before the end of the school year.

Events and Early Dismissals

Parents/Guardians are discouraged from dismissing their children early after events like Field Day and End of the Year events as the school day will continue as usual. The PTO has a fun afternoon planned for grade 2 students on their special day!
